

Stuffed Lobster Tail

COSTAS INN

Known for classic steamed-crab-and-mallet suppers, Costas Inn (4100 North Point Blvd., Dundalk, 410-477-1975) also has a thing for crab imperial—a heap of crab slathered in creamy white sauce offered atop shrimp, orange roughy, the fish du jour, or even on its own. But to experience this lumpilicious treat at the pinnacle of opulence, try the stuffed lobster tail (\$35.95), a thick curl of delectable meat straining from its shell.
